

The FSU HARRIS INSTITUTE
at The Center for Prevention & Early Intervention Policy

BIBLIOGRAPHY & RESOURCE GUIDE
For Level 3 Licensed Therapist Training Programs

*(Required readings in **bolded** text; recommended readings in regular text)*

Infant Mental Health Perspectives

Carlson, V. J., & Harwood, R. L. (Dec. 1999/ Jan. 2000). Understanding and negotiating cultural differences concerning early developmental competence: The six raisin solution. *Zero to Three*, 19-24.

Crowell, J. A., & Feldman, S. S. (1991). Mothers' working models of attachment relationships and mother and child behavior during separation and reunion. *Developmental Psychology*, 27, 597-605.

Emde, R. N., & Robinson, J. (2000). Guiding principles for a theory of early intervention: A developmental-psychoanalytic perspective. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp.160-178). Cambridge, UK: Cambridge University Press.

Fonagy, P. (2002). Understanding of mental states, mother-infant interaction, and the development of the self. In J. M. Maldonado-Duran (Ed.), *Infant and toddler mental health: Models of clinical intervention with infants and their families* (pp. 57-74). Washington, DC: American Psychiatric Publishing, Inc.

Garbarino, J., & Ganzel, B. (2000). The human ecology of early risk. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 76-93). Cambridge, UK: Cambridge University Press.

Garcia Coll, C., & Magnuson, K. (2000). Cultural differences as sources of developmental vulnerabilities and resources. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 94-114). Cambridge, UK: Cambridge University Press.

Gilkerson, L., & Shamoan-Shanok, R. (2000). Relationships for growth: Cultivating reflective practice in infant, toddler, and preschool programs. In J. D. Osofsky & H. E. Fitzgerald (Eds.), *WAIMH handbook of infant mental health: Vol 2. Early intervention, evaluation, and assessment* (pp. 34-79). New York: Wiley.

Harmon, R. (2003). Thirty years in infant mental health. *Zero To Three*, 24 (1), 23-28.

Lewis, M. L., & Ippen, C. G. (2004). Rainbows of tears, souls full of hope: Cultural issues related to young children and trauma. In J. D. Osofsky (Ed.), *Young children and trauma: Intervention and treatment* (pp. 11-46). New York: Guilford Press.

Osofsky, J. D., & Thompson, M. D. (2000). Adaptive and maladaptive parenting: Perspectives on risk and protective factors. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 54-75). Cambridge, UK: Cambridge University Press.

Sameroff, A. J., & Fiese, B. H. (2000). Transactional regulation: The developmental ecology of early intervention. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 135-159). Cambridge, UK: Cambridge University Press.

Shonkoff, J., & Phillips, D. (Eds.). (2000). Nurturing relationships. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 225-266). Washington, DC: National Academy Press.

Stern-Bruschweiler, N., & Stern, D. (1989). A model for conceptualizing the role of mothers' representational world in various mother-infant therapies. *Infant Mental Health Journal*, 10, 142-156.

Tomlin, A., & Viehweg, S. (2003). Infant mental health: Making a difference. *Professional Psychology: Research and Practice*, 34, 617-625.

Watanabe, H. (2002). The transgenerational transmission of abandonment. In J. M. Maldonado-Duran (Ed.), *Infant and toddler mental health: Models of clinical intervention with infants and their families* (pp. 187-205). Washington, DC: American Psychiatric Publishing, Inc.

Zeanah, C. H., Jr., & Zeanah, P. D. (September 2001). Towards a definition of infant mental health. *Zero to Three*, 13-20.

Typical and Atypical Development

Anzalone, M. E. (October/November 1993). Sensory contributions to action: A sensory integrative approach. *Zero to Three*, 17-20.

Bowlby, J. (1988). Lectures 2 and 7. In *A secure base: Parent-child attachment and healthy human development* (pp. 20-38 and 119-136). New York: Basic Books.

Cohen, L. J., & Slade, A. (2000). The psychology and psychopathology of pregnancy: Reorganization and transformation. In C. H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 20-36). New York: Guilford Publishers.

Cole, M., & Cole, S. (2001). *The development of children* (4th ed., pp. 335-363). New York: Worth Publishers.

DeGangi, G. (2000). Self-regulation in infants and children. In *Pediatric disorders of regulation in affect and behavior* (pp. 2-33). New York: American Press.

Gerber, S., & Prizant, B. (2000). Speech, language, and communication assessment and intervention for children. In *Clinical practice guidelines* (pp. 85-122). Bethesda, MD: The Interdisciplinary Council on Developmental and Learning Disorders.

Harmon, R. J., Wagonfeld, S., & Emde, R. N. (1982). Anaclitic depression: A follow-up from infancy to puberty. *Psychoanalytic Study of the Child*, 37, 67-94.

Hoffmann, J. M. (2002). The place for infancy. In J.M. Maldonado-Duran (Ed.), *Infant and toddler mental health: Models of clinical intervention with infants and their families* (pp. 3-32). Washington, DC: American Psychiatric Publishing, Inc.

Horn, W. F. (2000). Fathering infants. In J. D. Osofsky & H. E. Fitzgerald (Eds.), *WAIMH handbook of infant mental health: Vol. 3. Parenting and child care* (pp. 270-297). New York: Wiley.

Karen, R. (1994). *Becoming attached: Unfolding the mystery of the infant-mother bond and its impact on later life*. New York: Warner Books.

Karraker, K. H., & Evans, S. L. (1996). Adolescent mothers' knowledge of child development and expectations for their own infants. *Journal of Youth and Adolescence*, 25, 651-666.

Kopp, C. B., & Wyer, N. (1994). Self-regulation in normal and atypical development. In D. Cicchetti & S. L. Toth (Eds.), *Disorders and dysfunctions of the self* (pp. 31-56). Rochester, NY: University of Rochester Press.

Lamb, M. E., Bornstein, M. H., & Teti, D. M. (2002). *Development in infancy: An introduction* (4th ed., pp. 205-245). Mahwah, NJ: Lawrence Erlbaum Associates.

Lewis, M. L. (2000). The emotional lives of African American parents in their interpretations of emotions of infants. In J. D. Osofsky & H. E. Fitzgerald (Eds.), *WAIMH handbook of infant mental health: Vol. 3. Parenting and child care* (pp. 59-88). New York: Wiley.

Lieberman, A. F. (1993). *The emotional life of the toddler* (pp. 6-54). New York: Free Press.

Mahler, M. S., Pine, F., & Bergman, A. (1975). *The psychological birth of the human infant* (pp. 52-120). New York: Basic Books.

Masten, A. (2001). Ordinary magic: Resilience processes in development. *American Psychologist*, 56, 227-238.

Nelson, C. A. (2000). The neurobiological bases of early intervention. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 204-227). Cambridge, UK: Cambridge University Press.

Osofsky, J. D. (1982). The development of the parent-infant relationship. *Psychoanalytic Inquiry*, 1, 625-642.

Schuder, M. R., & Lyons-Ruth, K. (2004). "Hidden Trauma" in infancy: Attachment, fearful arousal, and early dysfunction of the stress response system. In J. D. Osofsky (Ed.), *Young children and trauma: Intervention and treatment* (pp. 69-104). New York: Guilford Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). Acquiring self-regulation. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 93-123). Washington, DC: National Academy Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). Communicating and learning. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 124-145). Washington, DC: National Academy Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). Executive summary. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early childhood development* (pp. 1-15). Washington, DC: National Academy Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). Making friends and getting along with peers. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 163-180). Washington, DC: National Academy Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). Rethinking nature and nurture. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 39-56). Washington, DC: National Academy Press.

Shonkoff, J. P., & Phillips, D. A. (Eds.). (2000). The developing brain. In J. Shonkoff & D. Phillips (Eds.), *From neurons to neighborhoods: The science of early development* (pp. 182-218). Washington, DC: National Academy Press.

Spitz, R. (1946). Anaclitic depression: An inquiry into the genesis of psychiatric conditions in early childhood II. *Psychoanalytic Study of the Child*, 2, 313-342.

Tronick, E. S., Als, H., Adamson, L., Wise, S., & Brazelton, T. B. (1978). The infant's response to entrapment between contradictory messages in face-to-face interaction. *Journal of the American Academy of Child Psychiatry*, 17, 1-13.

Werner, E. E. (2000). Protective factors and individual resilience. In J. P. Shonkoff & S. J. Meisels (Eds.), *Handbook of early childhood intervention* (2nd ed., pp. 115-132). Cambridge, UK: Cambridge University Press.

Williamson, G. G. (September 1988). Motor control as a resource for adaptive coping. *Zero to Three*, 9, 1-7.

Williamson, G. G., & Anzalone, M. (1997). Sensory integration: A key component of the evaluation and treatment of young children with severe difficulties in relating and communicating. *Zero to Three*, 17, 29-36.

Williamson, G. G., & Anzalone, M. E. (2001). Patterns of sensory integration. In *Sensory integration and self-regulation in infants and toddlers: Helping very young children interact with their environment* (pp. 27-46). Washington, DC: Zero to Three Publications.

Williamson, G. G., & Anzalone, M. E. (2001). Sensory systems and sensory integration. In *Sensory integration and self-regulation in infants and toddlers: Helping very young children interact with their environment* (pp. 1-15). Washington, DC: Zero to Three Publications.

Diagnosis & Epidemiology

Barton, M. L., & Robins, D. (2000). Regulatory disorders. In C. H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 311-325). New York: Guilford Publishers.

Benoit, D. (2000). Feeding disorders, failure to thrive and obesity. In C. H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 311-325). New York: Guilford Publishers.

Chatoor, I. (1997). Eating behavior disorder. In A. Lieberman, S. Weider, & E. Fenichel (Eds.), *The DC: 0-3 casebook* (pp. 285-294). Washington, DC: Zero to Three Publications.

Harmon, R. (1995). Diagnostic thinking about mental health and developmental disorders in infancy and early childhood: A core skill for infant/family professionals. *Zero To Three* (Special Issue), 15(3), 11-15.

Klapper, S. A., Plummer, N., & Harmon, R. J. (2004). Diagnostic and treatment issues in cases of childhood trauma. In J. D. Osofsky (Ed.), *Young children and trauma: Intervention and treatment* (pp. 139-154). New York: Guilford Press.

Koenig, K., Rubin, E., Klin, A., & Volkmar, F. R. (2000). Autism and the pervasive developmental disorders. In C.H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 298-310). New York: Guilford Press.

Lieberman, A., Wieder, S., & Fenichel, E. (Eds.). (1997). *DC: 0-3 casebook: A guide to the use of Zero To Three's "Diagnostic classification of mental health and developmental disorders in infancy and early childhood" in assessment and treatment planning*. Washington, DC: Zero to Three Publishing.

Luby, J. L. (2000). Depression. In C.H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 382-396). New York: Guilford Press.

Maldonado-Duran, J. M., & Saucedo-Garcia, J. M. (2002). Excessive and persistent crying: Characteristics, differential diagnosis, and management. In J. M. Maldonado-Duran (Ed.), *Infant and toddler mental health: Models of clinical intervention with infants and their families* (pp. 239-267). Washington, DC: American Psychiatric Publishing, Inc.

Minde, K. (2002). Sleep disorders in infants and young children. In J. M. Maldonado-Duran (Ed.), *Infant and toddler mental health: Models of clinical intervention with infants and their families* (pp. 269-307). Washington, DC: American Psychiatric Publishing, Inc.

Prizant, B. M., Wetherby, A. M., & Roberts, J. E. (2000). Communication problems. In C. H. Zeanah, Jr. (Ed.), *Handbook of infant mental health* (2nd ed., pp. 282-297). New York: Guilford Press.

Quay, H. C. (1999). Classification of the disruptive behavior disorders. In H. C. Quay & A. E. Hogan (Eds.), *Handbook of disruptive behavior disorders* (pp. 3-21). New York: Kluwer Academic/Plenum Publishers.
