Florida State University Partners for a Healthy Baby

Workshops for Home Visitors

You’ll leave these interactive workshops knowing how to use the Partners curriculum to:

- Plan effective home visits.
- Promote healthy birth outcomes.
- Support parenting skills that promote optimal bonding, attachment, & responsive caregiving.
- Teach parents ways to facilitate their child’s development.
- Detect early signs of health or developmental problems.
- More easily address topics that may be difficult to discuss.

Learn how to support your families and achieve program goals using the research-based, practice-informed Partners for a Healthy Baby curriculum.
